## Pitch Presentation Opportunity

If you are interested in getting your company, product or technology in front of an audience of investors, manufacturers and serial entrepreneurs in the UAS industry, then you will want to apply for the Pitch Session as part of the 2020 UAS Tech Forum, Sept.9-10.

### WHO SHOULD APPLY?

- Researchers and/or research institutions owning intellectual property rights for UAS-related technology and seeking to license or commercialize it.
- UAS-related enterprises or businesses with advanced, proprietary technology seeking seed or venture capital or commercial licensing partners.

### ALL SELECTED PRESENTERS RECEIVE:

- A complimentary registration to the UAS Tech Forum.
- A six-minute presentation to showcase your commercialization and/or licensing opportunity.
- A teleconference dress rehearsal of your presentation prior to the event.
- A platform to leverage your pitch presentation.
- A succinct description of your organization provided to all attendees.

*Deadline to submit is Friday, May 8, 2020.*
